# MAKE AN ORIGAMI KERERŪ

Either print the origami kererū pattern or cut a piece of paper into a square and start folding! **Don't forget to share a photo of your folded kererū on social media using the #greatkererucount hashtag!**

1 Arrange your paper so the red triangle is pointing to the right. Fold in half to make a crease and fold back.

2 Fold in half again horizontally.

3 Fold along the dotted line.

4 Fold along the dotted line to form a square.

5 Fold in half.

6 Do a pocket fold along the dotted line.
