

# SCAVENGER HUNT

USE YOUR  
eyes

USE YOUR  
hands

Explore your local environment(s), and see what variety you can find in flora (plants) and fauna (animals) using this list.

Once you have found something that matches the description, draw it in the box. Can you find something different to go into each box?

Something that lives in the shade

The smallest thing you can find  
OR the biggest thing you can find

Something noisy

Something you haven't seen before

Something with more legs than you

Something that hides

Something colourful

Something with wings
