

MAKE A HOIHO

1. Remove the page and cut out each shape
2. Wrap body around tube and glue A-A, B-B
3. Fold tail under body and along dotted lines
4. Roll head back, glue tip to centre back

- You will need:**
- a cardboard tube (4cm wide)
 - scissors
 - PVA glue (to make glue stick, hold together and count to ten)

Design by
Pamela Robinson

5. Fold and glue each foot. Glue under body, E-E, F-F
6. Fold and glue each flipper. Glue to body, G-G, H-H
7. Fold four sides to make beak. Glue flap J under to secure. Fold triangles K and L and glue to K-L on body
