

# Caption Competition

Be part of our freshwater fish social media campaign!

Annabeth Cohen, Forest & Bird's Freshwater Advocate at Te Roto o Wairewa | Lake Forsyth

We want to get people thinking about our native whitebait species as loveable fish, rather than food. Come up with a clever/funny caption to go with this picture to help. Send it in to [kcc@forestandbird.org.nz](mailto:kcc@forestandbird.org.nz) by 23 November 2018. The winner/s will feature on our Forest & Bird Facebook and Instagram pages, which reach over 100,000 people!
