

# 9 activities for discovering your tree community

BE WITH A TREE  
2021

1

Create a home for creatures that love eating bugs. Build a lizard garden

7

Plant native: Look around your neighborhood to see what trees are thriving to get some ideas.

3

Play Bark Bingo

5

How many different birds can you hear during a five minute bird count

2

Make a native bird feeder for a special tree

4

VOTE for Aotearoa's special tree @ [kcc.org.nz](http://kcc.org.nz)

6

Discover six different smells around your tree community

8

Have a picnic under your favourite tree - maybe you can take a fruity treat

9

How many different plants and animals can you spot in and around a tree?

Kiwi Conservation Club - Hakuturi Toa
